## **john h. dean Memorial Garden at the Driftwood Resort Memorialize your loved ones at the Driftwood too!!**

On February 24, 2015 we opened the **john h. dean Memorial Garden** in memory of our long-time friend, adviser & architect John Dean. John was an integral part of the resort for nearly two decades, and was instrumental in the rebuilding of the property after the two devastating hurricanes of 2004.

The garden also includes bricks which memorialize many people who have been contributors, board members, friends and owners at the Driftwood Resort. If you have someone you would like to remember in the same way by purchasing a brick to be placed in our garden you may now do that.

The bricks are 4" x 8", and can include 2 lines of text (up to 20 characters per line) with the first line being the name of the person you want to remember. The cost is \$50.00 per brick. In order to keep costs reasonable we have to place orders of 5 bricks or more at a time so there may be a lag time until we have reached 5 orders. After they are ordered it takes about 12 weeks before they are delivered. Please keep this in mind when ordering.

We will accept cash or check only for purchase of these bricks. Checks should be made payable to Driftwood Management LC. Please fill out the order form below.

Purchaser Name \_\_\_\_\_

Address \_\_\_\_\_

Phone # \_\_\_\_\_

**(Please fill out a separate form for each Brick )**

Line #1 \_\_\_\_\_

Line #2 \_\_\_\_\_

When complete please turn the form and your payment into the front desk or mail to the address above. Thank you for helping us make this lasting memorial a part of the ever changing history and future of the Driftwood Resort!
